

Redwood Belgian Tervuren Fanciers
17th All-Breed Agility Trial Weekend, June 8-9 2013

Briefing, first walk thru: 8:45AM
 Both Rings, judging starts at: 9:00AM
For those who must check-in (check in only on your first day)
 Check in/measure in: 8:00 – 9:00AM

✓ You must check-in and measure-in if you checked the box on your entry form saying "My dog needs to be measured." The measuring time is as stated above and MAY additionally be done later at the convenience of the measurer but is not guaranteed or scheduled.

There are over 1100 runs for the whole weekend, with 290 dogs entered (~200 Excellent/Masters, ~20 Open, ~30 Novice): just brushing up against entry limits on Saturday. In order to run efficiently and get you home for an afternoon with your family, we'd be in your debt if you did the following:

- ✓ Check in *early* at the rings you're running in and inform the gate stewards as soon as you can about possible conflicts.
- ✓ Volunteer to set poles or run scribe sheets if you see the need.
- ✓ Stay within shouting distance of your gate steward when you are within 5 dogs of running.

Food

Breakfast fare of coffee/juice and donuts will be available during check-in for all competitors. There will be NO food available for purchase onsite; however a make-your-own sandwich buffet will be open to anyone who works!

Workers

Worker schedules for each ring will be posted at each ring on Saturday morning. After you check/measure in your dog, that is where and when you should check in to see what your assignment is if you volunteered. Those of you with email will have a worker's schedule emailed to you prior to the event. If we were unable to schedule you (because of multiple dogs or multiple heights or multiple levels or whatever), accept our apologies and please feel free to step up when our worker schedule develops holes.

Sunday move-ups, questions

If you finish a title on Saturday, you have the option to move up to the next level on Sunday in that class. You do not have to move up. If you wish to exercise this option, please fill out a Move-up Form no later than 15 minutes after the completion of the final class on Saturday. Move-up forms will be located at the awards table.

If you have any questions before the trial, contact chair Karey at kkrauter@bumpsays.com 650-906-5146 (cell), or secretary Lisa at tervteam@comcast.net 916-826-8378.

Travel approx 2 miles past East Meadow and past Charleston. Turn RIGHT at the first traffic light into the parking lot.

Site Info

Overnight Parking for RVs: Sorry, overnight RV parking is prohibited at this park (except for our pre-arranged security RV).

Unloading. You may not drive closer into the rings than the parking lot, so be prepared to cart your stuff in from there.

There is little shade, so bring your own. This is a public athletic field in a residential neighborhood. Please note that Palo Alto is doing us a favor by bending its rules to allow a dog event on its parkland. Be fanatic about cleaning up after your dog and obeying the leash law while exercising your dog, and not waking up the neighbors first thing in the morning.

NO Friday setup until after 7 p.m.

There will be no set-up allowed for the agility event until after the agility rings are laid out at 7 pm. You may come before then but please respect the other events in this park at that time and the ring layout crew, and do not unload or set up anything until after 7 pm.

There will not be any professional overnight security however there will be club members on site overnight Friday night and Saturday night keeping a watchful eye on our equipment. You may leave your canopies and crating but we do not recommend leaving anything valuable.

QQ and QQQ pins will be at the awards table

Thanks to Lorie Abbott! Good luck, everyone!
