

**Redwood Belgian Tervuren Fanciers**  
**18th All-Breed Agility Trial Weekend, June 7-8 2014**

**Briefing, first walk thru:** 7:45AM  
**Both Rings, judging starts at:** 8:00AM  
For those who must check-in (check in only on your first day)  
**Check in/measure in:** 7:15 – 7:45AM

✓ You must check-in and measure-in if you checked the box on your entry form saying "My dog needs to be measured." The measuring time is as stated above and MAY additionally be done later at the convenience of the measurer but is not guaranteed or scheduled.

This trial basically has filled both days THANK YOU for patronizing us! There are over 1200 runs for the whole weekend, with 285 dogs entered (~200 Excellent/Masters, ~20 Open, ~30 Novice). Note that we are TWEAKING THE JUDGING SCHEDULE in order to max out both judges: see class sched below. In order to run efficiently and get you home for an afternoon with your family, we'd be in your debt if you did the following:

- ✓ Check in *early* at the rings you're running in and inform the gate stewards as soon as you can about possible conflicts. ONLY the gate steward may make changes in the running order!
- ✓ Volunteer to set poles or run scribe sheets if you see the need.
- ✓ **Stay within shouting distance of your gate steward when you are within 5 dogs of running.**

**Food**

Breakfast fare of coffee/juice and donuts will be available during check-in for all competitors. There will be NO food available for purchase onsite; however a make-your-own sandwich buffet will be open to anyone who works!

**If you need a 24-hour Veterinarian**

Adobe Animal Hospital, 650-948-9661  
 4470 El Camino Real, Los Altos CA 94022

**Workers**

Worker schedules for each ring will be posted at each ring on Saturday morning. We are in your debt for continuing the AKLC tradition of filling in these white boards so quickly before each class!

**Sunday move-ups, questions**

If you finish a title on Saturday, you have the option to move up to the next level on Sunday in that class. Move-up forms will be located at the awards table.

If you have any questions before the trial, contact chair Karey at [kkrauter@bumpsays.com](mailto:kkrauter@bumpsays.com) 650-906-5146 (cell), or secretary Lisa at [tervteam@comcast.net](mailto:tervteam@comcast.net) 916-826-8378.

**Directions to Cubberley Community Center, Palo Alto**

4000 Middlefield Drive, Palo Alto CA 94303.

From 101: exit San Antonio Road South. Turn RIGHT onto Middlefield Road. Turn LEFT at first traffic light into parking lot, opposite Montrose.

From 280, exit Page Mill Road East. After approx 2 miles, continue across El Camino and continue under the RR overpass (Page Mill becomes Oregon Expway). Another mile, Turn RIGHT onto Middlefield. Travel approx 2 miles past East Meadow and past Charleston. Turn RIGHT at the first traffic light after Charleston, into the parking lot.

**Important heads up about getting into the community center: you'll get lost if you don't enter the parking area via the traffic light at Montrose! It's a real traffic light, so it's easy to turn at.**

Yes parking is also allowed on the opposite side of the field, on Nelson Drive, PLEASE be courteous of the residents on that side.

**Site Info**

**Overnight Parking for RVs:** Sorry, overnight RV parking is prohibited at this park (except for our pre-arranged security RV).

**Unloading.** You may not drive closer into the rings than the parking lot, so be prepared to cart your stuff in from there.

There is little shade, so bring your own. This is a public athletic field in a residential neighborhood. Please note that Palo Alto is doing us a favor by bending its rules to allow a dog event on its parkland. Be fanatic about cleaning up after your dog and obeying the leash law while exercising your dog, and not waking up the neighbors first thing in the morning.

**Friday Setup for workers starts at 4PM:**

**email [kkrauter@bumpsays.com](mailto:kkrauter@bumpsays.com) if you want to pitch in, THANKS!**

Friday setup for people helping with unloading and course building will start at 4pm. If you want first dibs at the best crating, come help set up!

**Friday NON-worker setup starts after 6PM**

Non-worker set-up is not allowed until after the courses are built, approximately 6pm. You may come before then but please respect the other events in this park at that time and the ring layout crew, and do not unload or set up anything until after 6pm.

There will no professional overnight security however there will be club members on site overnight Friday night and Saturday night keeping a watchful eye on our equipment. You may leave your canopies and crating but we do not recommend leaving anything valuable: this is a public park.

**Class Order** (Schedule subject to change if events warrant, preliminary running order is contingent on move-up entries not yet received)
