MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Height Classes

Regular	Dog's Actual Height	Preferred
Handlers may opt to run their dog in a higher height division.	Owners are responsible for entering their dog in the proper height division.	Handlers must run their dog in their proper eligible height.
8"	11 inches and under at the withers	4"
12"	14 inches and under at the withers	8"
16"	18 inches and under at the withers	12"
20"	22 inches and under at the withers	16"
24"	For dogs over 22 inches at the withers	20"
24" Choice	Dogs who measure into the 8" through 20" regular jump ht divisions may opt to enter the 24-choice ht division at their owner's discretion. Dogs who measure into the 24" regular jump ht division may not enter 24-choice.	

Move-ups and other changes

In advance of the trial weekend, dogs may be moved up to a higher level at the request of the owner as a result of qualifying for an agility title, provided that the request is received in writing or email by the Trial Secretary no later than 6pm on the Monday preceding the event.

There will be day to day move-ups at the show, provided the Trial Secretary receives them within 15 minutes after the end of the last class. There will be no move-ups in the morning before the start of the trial. However, a dog which has been entered in a Novice "A" class in which it is not eligible to be entered due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.

Wait List for Withdrawn Entries after the Closing Date/Time

If entry limits should be exceeded either day, RBTF Inc is offering a Wait List to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 20 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to the closing date/time. Any entries withdrawn that are received by the Wednesday preceding the event will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

Trial Site and Accommodations

The trial will be held outdoors on grass. There will be two rings (each a minimum of 100' x 100'). There is little shade. This is a public field and anything left overnight is left at your own risk, however there will be a couple club members staying on-site overnight as a small measure of security. Parking is in the parking lot. Lunches for free to workers only will be available on-site, there will be no other food available for purchase on-site. However there are a couple fast food places (and Starbucks) at the corner of Yerba Buena and San Felipe.

RV'ing

The college has graciously agreed to allow competitors to RV in the parking lot overnight. The conditions of this are to be invisible to the neighbors: no tailgating, raucous partying, loud music, etc. Quiet integrated generators (with exhaust stacks) are allowed. There are no hookups, and we'll want to segregate the RV's off to the side. No fee is being charged.

Directions

Take the Yerba Buena Rd exit off of Hwy 101 through southern San Jose. **DO NOT TAKE Capitol Expressway!** From the Yerba Buena off-ramp, turn east (towards the hills) off the exit ramp onto Yerba Buena Road. Continue 2.6 miles up the hill to the campus. You'll want the first entrance driveway on the left, which takes you into parking lot #9, after crossing San Felipe. If you see tennis courts on your left then you have overshot the parking lot.

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs enrolled in the AKC Canine Partners SM program may be eligible to enter all-breed AKC agility trials at the club's option effective April 1, 2010. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____

In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed above on this entry form. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.
