## NOTICE TO EXHIBITORS

Training At Trial Site. It is not appropriate to visit the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. This trial site will not be used for Scent training one week before the trial.

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search with handlers who have not run.

Crating space will not be available in the building. Please crate your dogs in your car. Please keep dogs quiet, if barking cannot be controlled you will be asked to leave. Keep dogs on leash while not working. Note: farm animals and cats on property. Air your dog in dog run or on Gravel driveway. Do not air on grass, plants, bam or equipment. Note: water is well water and safe to drink.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

All exhibitors should obtain a copy of the Regulations for Scent Work Trials by downloading them from the American Kennel Club website.

## SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The RBTF and its agents, employees, etc., will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The RBTF reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the RBTF or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An offleash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.
